

8.3 Clayton Bay Public Lighting

Cr Gardner left the chambers at 7.32pm

Cr Gardner returned to the chambers at 7.34pm

ACM19318 Moved Cr Bradford seconded Cr Maidment:

1. That Council grants the Administration consent to undertake consultation with the Clayton Bay community to ascertain the level of community sentiment for public lighting, and determine the anecdotal reasoning behind the community concerns.

AND

2. (b) Council instruct SA Power Networks to retain the current level of lighting with the knowledge that it does not meet Australian Standard AS1158, while Council Staff continue to investigate technical solutions that embrace the low light ambitions of the community, where practical.
