Strategic Asset Management Plan

This section presents the strategies in our draft Strategic Asset Management Plan that we will use to invest in our assets.

Council will use the following strategies to ensure that we manage our assets as a whole, to suitable standard to meet community need with the funding available.

Asset investment strategies

- Optimise asset life through timely and effective maintenance
- Continuing to place a high priority on renewing our ageing assets
- Managing the impacts of growth by being strategic in how we plan for our future asset needs

Survey – Strategic Asset Management Plan

- Complying with our obligations by actioning legislated standards in strategic asset management planning and development
- Providing affordable services by balancing community needs and aspirations with what ratepayers can afford
- Building resilient assets that not only deliver the best outcome for our community but also the best outcome for the environment.
