Mount Compass

Community vision for the year 2040

Mount Compass is “the gateway to the Fleurieu”. We are happy living here and at Nangkita. We are a friendly, proud and united community who values its history, First Nations culture and pristine environment.

Community ideas for our townships

- Contain urban living to the current township footprint
- SA Water connection to golf course residents and prevent further housing at the golf course
- Pedestrian and cycle path linking the strawberry farm to the main town
- Ambulance or State Emergency Service adjacent the CFS station
- Entry signage
- Share the history of the town
- Drinking fountains and basketball hoops
- Community-led and business opportunities: reestablishing the RSL - develop the memorial; community tree planting; picnics; choir; food trail and produce swaps.
