

Mount Compass Recreation Park Dirt Jump Facility Renewal

My Say Alexandrina

Mount Compass - Survey

We welcome your feedback on the proposed concept design aimed at enhancing the current dirt jump facility.

All suggestions will be evaluated based on:

- Feasibility
- Budget
- Risk standards
- Construction sustainability

Do you have any feedback on the proposed concept design?

(Required)

Note: *Please include in your response whether the feedback is relevant for a beginner, intermediate, or advanced rider.

Note: Answer this question if it applies

Upload a picture, document or drawing to support your feedback (optional)
